Article Index

A

Adverse drug effects
Adverse drug effects: new information about an old problem (Miller). 2001:22:336-7 (Drug consult)

African Americans
Self-help care in older African Americans with arthritis (Newman). 2001:22:135-8

Aging
Caring for the aging athlete (Hill). 2001:22:43-5
Nutrition, supplements, and aging (Smeeding). 2001:22:219-24 (Nutrition)
Osteoarthritis overview (Birchfield). 2001:22:124-31 (CE)
Themes of rural health and aging from a program of research (Congdon and Magilvy). 2001:22:234-8

Agitation
Audio presence intervention for decreasing agitation in people with dementia (Miller et al). 2001:22:66-70
A pilot study of the relationship between discomfort and agitation in patients with dementia (Buffum et al). 2001:22:80-5
Terminal restlessness in the nursing facility: assessment, palliation, and symptom management (Travis et al). 2001:22:308-12

Alcohol
Possible consequences of social drinking in the early stages of Alzheimer disease (Wiscott et al). 2001:22:100-5

Alzheimer disease
Alzheimer disease and alternative approaches to care, a clinical snapshot (Thames). 2001:22:270 (NGNA)
Communication from individuals with advanced DAT: can it provide clues to their sense of self-awareness and well-being? (Mayhew et al). 2001:22:106-10
Possible consequences of social drinking in the early stages of Alzheimer disease (Wiscott et al). 2001:22:100-5

Antiaging
Hormones as antiaging remedies (Miller). 2001:22:111-2 (Drug consult)

Arthritis
Arthritis in older adults (Luggen). 2001:22:118 (Editorial)
Battling arthritis with confidence (Ebersole). 2001:22:117 (Editorial)
Gouty arthritis: not just a big toe problem (Meiner). 2001:22:132-4
Managing arthritis with exercise (Resnick). 2001:22:143-50
Self-help care in older African Americans with arthritis (Newman). 2001:22:135-8
Treatment of rheumatic diseases in the elderly (Luggen). 2001:22:118-9 (Editorial)

Assisted living
Motorized cart driver safety in assisted living (Travis et al). 2001:22:213-5 (NGNA)

Athletes
Caring for the aging athlete (Hill). 2001:22:43-5

Audio presence intervention
Audio presence intervention for decreasing agitation in people with dementia (Miller et al). 2001:22:66-70

B

Baby Boomers
Into the new age: the call for a new construct for nursing (Porter-O'Grady). 2001:22:12-5
The pig in the python: Baby Boomers (Ebersole). 2001:22:6 (Editorial)

Bathing products
An evaluation of two bathing products in a chronic care setting (Dawson et al). 2001:22:91 (GN management)

Book reviews
Book reviews. 2001:22:207, 229-30, 326

C

Cancer
Memory improvement program for elderly cancer survivors (McDougall). 2001:22:185-90

Career issues
Creating a career ladder for nursing assistants in long-term care (Remsburg et al). 2001:22:318-25 (GN management)

Case management
Community-based case management for positive outcomes (Hammer). 2001:22:271-5 (NGNA)

CE articles
Assessment and management of polymyalgia rheumatica in older adults (Kennedy-Malone and Enevold). 2001:22:152-5
Home adaptation: helping older people age in place (Fielo and Warren). 2001:22:239-46
Hormonal decline in elderly men and male menopause (Kessenich and Cichon). 2001:22:24-8
Osteoarthritis overview (Birchfield). 2001:22:124-31
Osteoporosis overview (Peterson). 2001:22:17-23
Possible consequences of social drinking in the early stages of Alzheimer disease (Wiscott et al). 2001:22:100-5
Recognizing pain in the institutionalized elder with dementia (Epps). 2001:22:71-7
A support group for nursing assistants: caring for nursing home residents at the end of life (Burack and Chichin). 2001:22:299-305
A trio to treasure: the elderly, the nurse, and music (Kramer). 2001:22:191-6

Chronic care setting
An evaluation of two bathing products in a chronic care setting (Dawson et al). 2001:22:91 (GN management)

Coherence
Enhancing mastery and sense of coherence: important determinants of health in older adults (Forbes). 2001:22:29-32

Comfort touch
Outcomes of comfort touch in institutionalized elderly female residents (Butts). 2001:22:180-4

Communication
Communication from individuals with advanced DAT: can it provide clues to their sense of self-awareness and well-being? (Mayhew et al). 2001:22:106-10

Complementary therapies
A program on complementary therapies for long-term care nursing assistants (D'Eramo et al). 2001:22:201-7A program on complementary therapies for long-term care nursing assistants (D'Eramo et al). 2001:22:201-7
Clinical use of tai chi in elderly populations (Chen et al). 2001:22:198-200

D

Dementia
Audio presence intervention for decreasing agitation in people with dementia (Miller et al). 2001:22:66-70
Communication from individuals with advanced DAT: can it provide clues to their sense of self-awareness and well-being? (Mayhew et al). 2001:22:106-10
A glider swing intervention for people with dementia (Snyder et al). 2001:22:86-90
Newest developments in dementia treatment and prevention (Miller). 2001:22:216,218 (Drug consult)
A pilot study of the relationship between discomfort and agitation in patients with dementia (Buffum et al). 2001:22:80-5
Recognizing pain in the institutionalized elder with dementia (Epps). 2001:22:71-7

Diets
Meatless diets part 1 (Yen). 2001:22:167-8 (Nutrition)
Meatless diets part 2 (Yen). 2001:22:279-80 (Nutrition)

Discomfort
A pilot study of the relationship between discomfort and agitation in patients with dementia (Buffum et al). 2001:22:80-5

Drug consult
Adverse drug effects: new information about an old problem (Miller). 2001:22:336-7

Hormones as antiaging remedies (Miller). 2001;22:111-2
Newer and safer options for osteoarthritis (Miller). 2001;22:165-6
Newest developments in dementia treatment and prevention (Miller). 2001;22:216,218
Update on statins and other lipid-lowering drugs (Miller). 2001;22:276-7

Enhancing mastery and sense of coherence: important determinants of health in older adults (Forbes). 2001;22:29-32
Home adaptation
Home adaptation: helping older people age in place (Fielo and Warren). 2001;22:239-46
Home health care
Preventing medication errors in the home (Hurme and Pourciau). 2001;22:338-9
Prospective payment in home care: an overview (Marrelli). 2001;22:217-8
Update on rural health activities: the home health perspective (Marrelli). 2001;22:278
Home visits
Home visits after hospitalization: enhancing baccalaureate nursing students' gerontologic clinical experience (Latimer and Mezey). 2001;22:248-52
Hormones
Hormonal decline in elderly men and male menopause (Kessenich and Cichon). 2001;22:24-8 (CE)
Hormones as antiaging remedies (Miller). 2001;22:111-2 (Drug consult)
Hospitalization
Home visits after hospitalization: enhancing baccalaureate nursing students' gerontologic clinical experience (Latimer and Mezey). 2001;22:248-52

L

Leaders in geriatric nursing
Behind the scenes: visionary foundations (Ebersole). 2001;22:210
Geriatric nursing's editorial board. 2001;22:39-40
JoAnn Congdon, PhD, RN, CNS, and Mary Ann Rosswurm, EdD, RN, CS, FAAN: meeting the unique needs of elders in rural settings (Ebersole). 2001;22:265-7
Joan Warden-Saunders. 2001;22:156-7
Kathleen Coen Buckwalter, PhD, RN, FAAN (Ebersole). 2001;22:92-4
Patricia Hess: leader in care of the dying (Ebersole). 2001;22:327-8
Letters to the editor
2001;22:174, 285
Lipid-lowering drugs
Update on statins and other lipid-lowering drugs (Miller). 2001;22:276-7 (Drug consult)
Long-term care
Creating a career ladder for nursing assistants in long-term care: (Remsburg et al). 2001;22:318-25
A program on complementary therapies for long-term care nursing assistants (D'Eramo et al). 2001;22:201-7

M

Macular degeneration
Macular degeneration in older adults (Moore). 2001;22:96-9 (NGNA)
Malnutrition
Clinical guidelines to manage malnutrition in nursing homes. 2001;22:46-56 (Nutrition)
Mammography
Mammography screening behavior in older women caregivers (Chang et al). 2001;22:33-6
Medication errors
Preventing medication errors in the home (Hurme and Pourciau). 2001;22:338-9 (Home health care)
Memory
Memory improvement program for elderly cancer survivors (McDougall). 2001;22:185-90
Men
Hormonal decline in elderly men and male menopause (Kessenich and Cichon). 2001;22:24-8
Menopause
Hormonal decline in elderly men and male menopause (Kessenich and Cichon). 2001;22:24-7 (CE)
Motorized carts
Motorized cart driver safety in assisted living (Travis et al). 2001;22:213-5 (NGNA)
Music therapy
A trio to treasure: the elderly, the nurse, and music (Kramer). 2001;22:191-6 (CE)

N

National Gerontological Nursing Association (NGNA)
Alzheimer disease and alternative approaches to care, a clinical snapshot (Thames). 2001;22:270
Are you ready? 2001 convention update (Luggen). 2001;22:211-2
Challenges in the care of adults with osteoporosis (Wishnia). 2001;22:160-4
Community-based case management for positive outcomes (Hammer). 2001;22:271-5
Conference resources, examination changes (Luggen). 2001;22:158-9
Does a liquid supplement improve energy and protein consumption in nursing home residents? (Remsburg) 2001;22:331-5
Macular degeneration in older adults (Moore). 2001;22:96-9
Motorized cart driver safety in assisted living (Travis et al). 2001;22:213-5
NGNA collaborates to emphasize end-of-life care (Luggen). 2001;22:41-2
NGNA committees, certification updates (Luggen). 2001;22:95
NGNA/NNSDO collaboration (Luggen). 2001;22:268-9

Nursing
Creating a career ladder for nursing assistants in long-term care (Remsburg et al). 2001:22:318-25
Home visits after hospitalization: enhancing baccalaureate nursing students' gerontologic clinical experience (Latimer and Mezey). 2001;22:248-52
Management update: how will we have enough nurses? (Ciechomski). 2001:22:208-9 (GN management)
Into the new age: the call for a new construct for nursing (Porter-O'Grady). 2001:22:12-5
Nurse practitioners in rural settings (Gorek). 2001:22:263-4 (GN management)
Nursing perspectives on the health care of rural elders (Rosswurm). 2001;22:231-3
A support group for nursing assistants: caring for nursing home residents at the end of life (Burack and Chichin). 2001:22:299-305 (CE)
Transferring dying nursing home residents to the hospital: DON perspectives on the nurse's role in transfer decisions (Bottrell et al). 2001;22:313-7
A trio to treasure: the elderly, the nurse, and music (Kramer). 2001:22:191-6 (CE)

Nursing homes
Clinical guidelines to manage malnutrition in nursing homes. 2001:22:46-56 (Nutrition)
Nickelodeon in the new millennium (Becker). 2001:22:37-8 (GN management)
Transferring dying nursing home residents to the hospital: DON perspectives on the nurse's role in transfer decisions (Bottrell et al). 2001:22:313-7
